- Carbo-ceramic brake discs (ccb), internally ventilated and cross-drilled
- Collapsible steering column
- Complete underbody panelling with integrated naca air intakes for cooling
- 3-points seat belts with pre-tensioner, force limiters and height adjustment
- 4 valves per cylinder (titanium aspiration valves)
- 7-speed ldf dual-clutch transmission, shift characteristics variable via anima
- Alcantara multilayer rear wall
- Anti-theft alarm
- Automatic dual-zone air conditioning system with integrated active carbon filter
- Bridgestone dueler
- Cerere 19" casted silver
- Comfort seats
- Cruise control system

Deformation zones at front and rear with integral aluminium alloy

- Double plate clutch Ø 187 mm (7.36 in)
- Drive-by-wire concept
- Driving modes: strada - sport - rally
- Electrically adjustable heating and folding side mirrors with door panel
- Electromechanical power steering
- Floor mats with nubuk edges
- Four-wheel drive system, mechanical self-locking differential
- Front and rear wheel arches
- Full 12.3" tft color display instrument cluster with adaptive visualization
- Full size dual-stage passenger airbag
- Fully integrated steering wheel control concept, with all main controls
- Immobilizer
- Lamborghini logo chromed in the rear
- Light alloy construction
- Lightweight chassis hybrid construction concept in aluminium and carbon fiber
- Mpi (multi-point injection) technologie
- Multifunction steering wheel in smooth leather and central mark rosso
- On board trip computer
- Protective design integrated in body shape
- Rear snorkle
- Remote central locking
- Rooflining and a-pillars in textile
- Side impact bars in the door structure
- Side thorax airbag
- Start & stop function
- Tailpipes in grey matt
- Totally integrated electronic control units (ecus) concept
- Unicolor leather & alcantara interior
- Windscreen washer system with 2 wiper speeds and adjustable intermittent
- Door storage compartments
- Double wishbone independent suspension
- Driving dynamics mode selector on the steering wheel which effects:
- Electric windows lift with one-touch operation
- Electrochromic interior rear-view mirror
- Electronic stability control (esc) with lamborghini setup and featuring abs
- Flush-mounted exterior door handles
- Front and rear mud guards
- Fsi (fuel stratified injection) technologie
- Full size dual-stage driver airbag
- Full-led lighting concept
- High quality noise insulating carpeting
- Interior closed glove compartment in the dashboard
- Lamborghini touch-screen infotainment system
- Lightweight body in aluminium
- Magneto-rheological suspension
- Multi-media interfaces
- New front splitter
- Parking sensors (front & rear)
- Protective grilles
- Redesigned rear diffuser
- Roof rails
- Side head airbag
- Side lower skid
- Silver ccb brakes calipers
- Stitching tone on tone for multifunctional steering wheel
- Tone-on-tone stitching
- Underbody protection in aluminium
- Vanity mirrors in sun visors
